General Information Regarding N.H. Driver Education Certification

If you've been thinking about becoming certified to teach Driver Education in the State of New Hampshire, this information is for you. Please keep these pages of important information for future reference. If you are seeking Vermont Driver Education teacher/instructor endorsement or certification then go to the Vermont Driver Education Teacher/Instructor Preparation Program packet.

Instructors who have completed courses or programs in other states and are seeking N.H. certification should contact the NH Department of Safety, Division of Motor Vehicles, Driver Education Supervisor at (603) 227-4075.

To become a certified driver education instructor, obtaining a **Provisional Certificate** is the first step. This certificate allows you to work as a driver education instructor for a high school or commercial driving school. The Provisional Certificate is valid for two years, during which time you must meet additional requirements to become eligible to obtain a Standard Certificate. A **Standard Certificate** allows you to continue working for high schools, an existing driving school or apply to open your own driving school. Standard Certificates must be renewed every three years.

**Provisional Certificate (Saf-C 3105.01):** To obtain this first certificate, you must:

- Hold a driver license for the class of vehicle for which you intend to instruct
- Have a minimum of five (5) consecutive years of driving experience immediately prior to the date of application to the N.H. Department of Safety.
- Have a driving record and criminal history that meets the requirements of NH Driver Education Rules.

  - Introduction to Traffic Safety (3 credits)
  - Classroom Methods for Teaching Driver Education (3 credits)
  - In-Vehicle Instructional Methods (3 credits)
- Apply to the N.H. Department of Safety using a completed application packet (dsmv 635). The application is signed under penalty of perjury and unsworn falsification and contains:

  - A completed fingerprint card (Initial application only)
  - A completed Driver Education Physical form signed by a physician.
  - An official copy of your college transcripts
- Obtain a 90% or higher on a written examination, administered by the N.H. Department of Safety

- Document 60 hours of classroom instruction at a high school or a certified driving school
- Document 240 hours of supervised behind-the-wheel instruction at a high school or a certified driving school
- **Complete the following courses *with a grade of “C” or higher*. These courses are scheduled only ONCE a year at Keene State College:**
  - Alcohol, Drugs, and Driving (3 credits)
  - Adolescent Growth and Development (1 credit)
  - Special Education in the Schools (1 credit)
  - Learning Styles/Teaching Styles (1 credit)
  - Zone Control (2 credits)

  - A completed Driver Education Physical form signed by a medical examiner.
  - An official copy of your college transcripts
**Standard Certificate Renewal** (Saf-C 3105.03) is required every three years. As a professional educator it is crucial to be dedicated to always looking for a better way to meet the needs and challenges of your students. Keeping focused on changing yourself and your methods so that the students learn and incorporate the reduced risks you teach them into their habits of driving is a major component of being a quality driver education instructor. You must always be learning and changing. You should stay abreast of the content in the field of driver education, new and emerging learning techniques and uses of technologies, as well as the latest and developing research and best practice offerings in teaching and learning methods. On-going development of knowledge and skills will enhance your ability as an instructor to provide comprehensive learning opportunities for all students in order to fully realize the learning objectives established for your students.

Your professional development must be planed and documented every three years to meet the requirements of Saf-C 3102.12 and Saf-C 3105.03. Forms (dsmv 596) , information and approval are obtained from the NH Department of Safety, Division of Motor Vehicles, Driver Education Office.

**Workforce Innovation and Opportunity Act (WIOA) – Financial Assistance for Eligible Applicants**

Keene State College’s Driver Education Instructor Preparation Program has been added to the U.S. Department of Labor’s Workforce Innovation and Opportunity Act (WIOA) list of training programs for which eligible individuals can receive financial assistance to enable them to get back into the workforce. WIOA is an employment and training program designed to help Dislocated Workers and other Eligible Adults access the tools they need to manage their careers through information and high-quality services, and to help U.S. companies find skilled workers.

If you believe you may meet the requirements to qualify for WIOA funding then you should contact one of the local NH Works offices (Berlin, Claremont, Concord, Conway, Keene, Laconia, Littleton, Manchester, Nashua, Portsmouth Salem and Somersworth) to schedule an appointment with an employment counselor to assist you to enroll in the WIOA program.
Application to the NH Driver Education Instructor Preparation Program

To apply to the Program you must:

1. **Obtain the following records:**
   
   (a) **Criminal History Records check** through the NH Division of State Police and the Federal Bureau of Investigation (FBI). Since the records check through the FBI could take up to 8 weeks to be returned we urge applicants to apply as soon as possible before the term in which they plan to take the courses. An individual awaiting a return of the criminal history records check will be allowed to enroll in the initial course (SAFE 222) by submitting documentation that they have applied for (a receipt for payment of the fingerprints for your record check). If the Division of Motor Vehicles, Driver Education Section receives a record with information that will cause the applicant to be denied certification as a NH Driver Education Instructor then they will notify the Program Coordinator and the applicant will be asked to withdraw from the program. Withdrawal from the program will not guarantee the return of any funds paid for course registration. The records check is obtained by submitting this Criminal History Record Information Authorization Form:
   
   
   You will be required to complete a Livescan fingerprinting form at the State Police site.

   (b) **Certified Motor Vehicle Driving Record** from New Hampshire and any state where the applicant has held a driving license. The New Hampshire record can be obtained by submitting a Release of Motor Vehicle Driving Records Form: [http://www.nh.gov/safety/divisions/dmv/forms/documents/dsmv505.pdf](http://www.nh.gov/safety/divisions/dmv/forms/documents/dsmv505.pdf)
   
   The Criminal History Records information authorization form above can be submitted with the applicant’s live-scan fingerprints request form at any Division of State Police maintained live-scan site. The Certified Motor Vehicle Driving Record can be obtained by submitting - through the US Mail - the forms obtained above or by going to the NH Department of Safety Offices, Hazen Drive, Concord, NH.

   (c) **Documentation of receiving high school diploma or completion of General Equivalency Diploma (GED).**

2. **Obtain three (3) professional references** using the Recommendation for the Driver Education Instructor Preparation Program attached to this packet. Please note the individuals who are considered to be professional references. Complete the Applicant Information on each of the Recommendation forms and request that the individual completing the reference send it back as identified in the Directions for Reference section.

3. **Submit a completed two-page application attached to this packet.** The completed and signed application must be returned with the application fee to the Keene State College Division of Continuing Education at the address shown on the form. The application is also available on the web at the Keene State College link listed below under “Web Resources.” Applications are accepted on an on-going basis.

4. **Complete an interview, records review and driving assessment with the Program Coordinator.** You will be contacted upon receipt of the application and the three (3) completed Reference forms to schedule a meeting with the Program Coordinator. Bring copies of the records obtained in #1 above to the interview. This meeting will enable the coordinator to: review the application with you and answer any questions, review your Criminal History and Driving Records and education documents and conduct an assessment of your driving skills. If the Criminal History or Driving Record raises any questions that the individual will be eligible to apply for provisional certification (Saf-C 3106) upon completion of the required coursework then the individual will be directed to contact the Driver Education Supervisor at the NH Department of Motor Vehicles (603-227-4075) to
have the records reviewed prior to being recommended for enrollment.

5. **Acceptance into the Driver Education Instructor Preparation Program.** You will be notified by the Keene CE Office as soon as possible after the meeting with the Program Coordinator (unless directed to meet with NH DMV) of your acceptance into the program.

**Course Registration**

**Important Reminder:** the courses offered for the Standard Certificate are only offered ONCE a year.

**Five Easy Ways to Register for Courses:** Complete a Keene State College Continuing Education Registration form that can be found online or by phoning the office.
